a bit about the trip

We understand that letting your student go out of the country is a huge step for parents. We want to give you all the information necessary to make the right choice for your student. Each year, our mission trip stands out as the most spiritually enriching and perspective changing event for Junior High students.

This year, we are going to Reynosa, just across the border from McAllen. Our mission hosts are a reputable organization called Mission Discovery and they have led over 20,000 students and adults on mission trips around the globe. We will be staying at the Methodist Camp Thicket in Weslaco, Texas and be traveling over the border each day. In the evenings, we will have a program back at the camp with music and discussion.

Our students will assist with building houses and leading vacation bible school for the local children. We are looking for students who are willing to get dirty and serve in the name of Jesus. Each student must have a growing relationship with Christ in order to be a minister to others.

Each student must fill out an application and turn it in by April 29th with a non-refundable \$150 deposit to secure his/her spot.
